

EXCLUSIVE 2027 RENTAL OPPORTUNITY

BECOME A BUILD PARTNER AND SECURE YOUR DAF

Tenco Hydro builds rental DAFs to order. **Your prepayment funds production** — and in return, you receive our deepest rental rates, guaranteed unit availability, and priority access that open-market customers never get. This is not a standard rental listing. **Build Partner slots are capped.**

OFFER DEADLINE

90 Days from Inquiry

Build Partner rates expire when slots are filled or production is committed

BUILD PARTNER RATE — BEST AVAILABLE PRICING

BUILD PARTNER RATE

6-Month Full Prepayment

\$25,000 /mo ~~\$30,000~~

SAVE \$30,000 OVER 6 MONTHS

- Lowest rate we offer — only possible because of full prepay
- Rate locked for full term, including any extension months
- Unit reserved exclusively for you upon payment

BUILD PARTNER EXCLUSIVES

What You Get Others Don't

- Nameplate recognition on your unit

THE SAVINGS BREAKDOWN

Build Partner vs. Open Market

Standard 6-month rate	\$30,000/mo
Build Partner rate	\$25,000/mo
Monthly savings	\$5,000/mo
Total 6-month savings	\$30,000
vs. flex-rate market price	Save \$90,000

REQUIREMENT

Build Partner pricing requires **full 6-month prepayment within 90 days of inquiry** and applies to 2027 rental terms only. Prepayment secures your unit into production and guarantees delivery readiness before your project start date. **Available to a limited number of customers — first-paid, first-reserved.**

BUILT TO ORDER

Every Tenco rental DAF is built new. Your prepayment is what puts your unit into production — not a warehouse pull.

REAL SAVINGS

Build Partner rate is \$7,500/mo less than standard. Over 6 months that's \$45,000 back in your project budget.

FLEXIBLE START

Prepay now, start anytime in 2027. The rental clock starts at delivery — your budget commitment doesn't dictate your schedule.

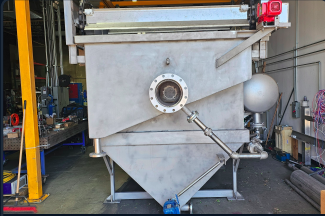

USA FACTORY

304SS construction, 87% air saturation efficiency, C0-C7 controls. Factory pre-assembled and hydro-tested before shipment.
